Dear Parent/Carer,

ParentMail

Communicating with parents is an important part of what we do, making sure you get the correct information about activities, events and things that really matter is something we care about. You will automatically become registered upon completion of your child's admission form, providing that you have supplied an email address and a mobile telephone number.

We use ParentMail, a service used by over 5,000 schools, nurseries and children's clubs to communicate and collect payments from millions of parents. ParentMail will be beneficial to you because:

- Messages will get to you reliably by email and/or text
- We can send messages directly to mums, dads and other carers at the same time
- Emergency or important information can be sent by text message
- You can make online payments to the school for trips, etc.
- You can give permission for events or trips online without having to sign and return forms to us
- You can make appointments to see your child's teacher on parents' evening
- You will be able to obtain your child's Christmas performance tickets as soon as they become available

Registering on ParentMail is simple, only takes a minute and can be done from a PC or mobile phone.

Please be assured that ParentMail is registered with the Data Protection Registrar and guarantees that all information you provide will be kept private and will not be passed on to any other organisation.

Yours sincerely,

Natalie James
Headteacher
